# CALIFORNIA INTERSCHOLASTIC FEDERATION TRANSFER ELIGIBILITY APPEAL PROCEDURES

## INTRODUCTION

The purpose of this handbook is to familiarize parents with the CIF appeal process for athletic transfer decisions and to provide a simple step-by-step approach for parents to request an appeal of a Section decision granting their student limited eligibility or denying eligibility. Parents are encouraged to read and become familiar with the relevant bylaws and policies that can be found in the State CIF Constitution and Bylaws on the State CIF web site at [www.cifstate.org](http://www.cifstate.org). This handbook should not be relied upon for legal advice or in place of the relevant bylaws or administrative policies, procedures and regulations.

When there has been a written decision by a Section Commissioner to not allow a student to participate in varsity athletics at a new school, the school or parent may request that the decision be reviewed. Once you request an appeal you are known as the **Appellant**. The other parties are the **Respondents**.

**IMPORTANT NOTE:** If a request for an appeal of the Section decision on transfer eligibility includes MORE THAN a request for a waiver of the transfer rule (i.e., a request for a waiver of any of the following: age requirement; charge of semesters; passing 20 semester credits), NO ACTION will be taken on the requested appeal for transfer eligibility UNTIL all other issues have been resolved and a final determination has been made in accordance with the Section's approved policies and procedures. The procedural requirements for determination of the transfer request under this policy will commence after the Section makes a final determination of other issues.

The CIF appeals process is designed to give parents and students the opportunity to review the decision of a Section in a fair and consistent manner so that all parties can present their information to an impartial panel of three persons.

There should be no surprises and each party is expected to share all their evidence in advance of the hearing so everyone has the same information. Based on the evidence you submitted documenting a hardship that required the change of schools, as the Appellant, you have to show that the Section's decision was not reasonable. In other words, a hardship, as defined in CIF Bylaw 208, required your student to transfer to the new school.

The Appeals Panel will consider all the evidence you provided that supports your position that a hardship required the change of schools and whether the Section's decision was reasonable. The Appeals Panel may not ignore the bylaws of the State CIF and must apply the facts it finds to the bylaws to see if an exception for you is permitted.

Parents are encouraged to work with the school site administration in completing the appeal request process. Also, the school administration can explain the transfer bylaws, limited eligibility, the appeal process, and what kind of evidence will be needed to support your request.

## **IMPORTANT TIMELINES – FILING YOUR APPEAL REQUEST**

You will be required to meet a deadline in filing your appeal. You will have only 15 business days from the date the Section’s written decision was mailed to you to complete the current “Request for Appeal of Section’s Decision” form and mail the original to the State CIF Appeals Office. The forms are available online, at your school, and in this handbook.

The form must be mailed; faxed or e-mailed requests will not be accepted. You may not start the request process until the Section’s written decision is mailed to you. The Section Commissioner has 20 business days to make the decision from the time you submitted your request for unlimited eligibility to the Section office. You must submit a complete appeal request at the time of filing. Incomplete requests are returned as if not submitted.

After the State CIF Appeals Office receives your appeal request, it has 5 business days to review your appeal request to make sure it is complete and has all the required information. If your appeal request is complete, the State CIF Appeals Office will then have 10 business days to set a hearing date. Your hearing must be held no more than 30 business days from the date you submitted your approved request.

If your appeal application is incomplete, the State CIF Appeals Office will return it to you. However, you can re-submit a completed application if there is still time left on the original 15 business day deadline.

Following the hearing, the Appeal Panel will have 15 business days to mail you a written decision. That decision of the Appeal Panel shall be final.

## **FEE SCHEDULE**

There is a non-refundable administrative fee of \$150.00 that must be submitted with the appeal request. The fee may be paid with either a money order or a cashier’s check made out to the State CIF; no personal checks are accepted.

If your student qualifies for, and is receiving, either a free or reduced lunch in accordance with 42 U.S.C. section 1751 et seq., the State Appeals Office may reduce the administrative fee in whole or in part. Be sure to submit proof that your student is receiving a free or reduced lunch by attaching a copy of the approved application or the student’s lunch card. The school will have that copy.

## **SETTING THE HEARING**

The hearing will be set in the geographic area of your Section and you will receive a Notice of Hearing from the State CIF Appeals Office with the date, time and place.

The Notice of Hearing will also advise you of the date you must exchange documents to be considered by the Appeal Panel. You may only submit new documents or evidence if the information was discovered after the Section’s decision or after the time you had to submit

documents. You may not submit evidence that was available when the Section first made its decision, or additional evidence that supports your request that was or should have been available to the Section.

Although legal representation is not necessary for the appeal hearing, the Notice of Hearing will also advise you of the date that you must advise the State Appeals Office of your intent to have legal representation or a professional advocate so that all parties also have the opportunity to retain legal counsel.

The hearing date will be set by the State CIF Appeals Office in accordance with the timeline above and you can expect a hearing within 30 days of the date you submitted a complete and timely request to the State Appeals Office.

### **APPEALS PANEL OR SINGLE REVIEW OFFICER**

You may choose either to be heard by a Single Review Officer or by an Appeals Panel.

The Appeals Panel shall have three members in addition to an Appeals Panel Chair, if available. If a Chair is not available then a member of the panel will serve as Chair.

Appeals Panel members or Review Officers may be current or retired school district administrators or athletic directors, retired or current athletic administrators or retired Section officers. No Appeals Panel member may be employed by, or retired from, the schools, school districts, leagues or conferences involved in your appeal. The State Appeals Office sets the Appeals Panel.

The Appeals Panel Chair, if one is available, is a non-voting member of the panel and presides at the hearing and has authority to conduct and to coordinate the hearing. The Appeals Panel Chair will not deliberate with the Appeals Panel. If an Appeals Panel Chair is not available, one member of the Appeals Panel shall serve as Chair and participate in the deliberations and voting.

The Appeals Panel will deliberate the merits of the appeal in a closed session at the time and place designated by the Appeals Panel Chair.

### **CONDUCT OF THE HEARING**

The hearing will be limited to and conducted only during the time allotted by the State Appeals Office. Only in exceptional circumstances will you be permitted to have additional time. You may request more time in writing to the State Appeals Office, and you must state why you need more time giving all the exceptional reasons for your need for more time for the hearing. The State CIF Appeals Office will review the request and make a determination in its sole discretion, which may require you to waive the 30-day timeline for your hearing because of scheduling conflicts.

In considering whether to ask for more time, keep in mind that “more of the same” evidence is not necessary. For example, 10 witnesses testifying to the good character of your child will not be more persuasive to the Appeals Panel.

The State Appeals Office will invite only those deemed necessary to the hearing. You may have witnesses attend on your behalf and you should advise the State Appeals Office in advance so that accommodations can be made.

All new documents, not previously submitted to the CIF section, to be considered by the Appeal Panel must be submitted to the State Appeals Office, at the address provided in the Notice of Hearing, with copies provided to all other parties, no later than 5:00 p.m. 8 business days before the date of the hearing.

The only new evidence you may submit is evidence that was discovered since the Section’s decision, or after the time for the exchange of documents. That new evidence may be considered at the appeal hearing by the sole discretion of the Appeals Panel Chair. If you submit late documents or new evidence, the Section or another party may request that the hearing be postponed so it can review the documents and response. However, if the Appeals Panel Chair and all the parties agree, the documents may be considered and the hearing go on as scheduled.

While it is not necessary to have legal representation at the appeal hearing, if you bring an attorney or other professional advocate to the hearing, you must advise all other parties at least five business days prior to the hearing as noted on the Notice of Hearing. If you or another party appear at the hearing with an attorney or other professional advocate without first giving written notice as required, you or the other parties may request that the hearing be delayed so you can seek legal advice or representation.

The Appeals Panel Chair or single hearing officer will conduct the hearing. The technical rules of evidence and rules for the examination of witnesses do not apply. **ALL QUESTIONS FOR AN OPPOSING PARTY SHALL BE DIRECTED TO THE PANEL CHAIR OR THE SINGLE HEARING OFFICER.** The hearing may be tape recorded by the State CIF Appeals Office and only the recording will be the official record of the hearing. No videotaping is permitted. No court reporter is permitted.

You may bring witnesses, the panel may examine witnesses, and you may introduce exhibits, subject to the time constraints for the conduct of the hearing set by the State Appeals Office. The Appeals Panel Chair has the sole discretion, authority, and responsibility to limit testimony as repetitive. Any relevant evidence you submit may be admitted if it is the sort of evidence that responsible persons are accustomed to rely on in the conduct of serious affairs and it has been shared with the opposing party. The Appeals Panel Chair will make those decisions in its sole discretion.

Professional courtesy is expected of all participants at the hearing and all parties shall adhere to and abide by the requests and decisions of the Appeals Panel Chair in the conduct of the hearing.

You will be asked to tell the Appeals Panel your reasons why your student should be given unlimited (varsity) eligibility because of the hardship suffered. The Section will be asked to explain why your request was denied. Witnesses will be allowed to tell the Appeals Panel members what they know and may be asked questions by the Appeals Panel members.

### **THE DECISION**

The decision by the Appeals Panel should include written findings of fact and the Appeals Panel's conclusions, the numerical vote, the sports affected, and the effective dates for any limitation on varsity eligibility.

A copy of the written decision of the Appeals Panel, signed by an Appeals Panel member or Chair, will be mailed to you within 15 business days after the hearing, unless the time to mail the Appeals Panel decision is extended by agreement.

A copy of the Appeals Panel decision will also be forwarded to the principal of the school(s) involved and the Section, which may then inform the league or conference presidents(s) in accordance with Section procedures.

The written decision of the Appeals Panel is final.

## **Principal's Responsibility**

- All requests for athletic eligibility shall first be submitted to the school site principal/designee for a review of the student's athletic eligibility status.
- If both site principals/designees agree to limited eligibility the receiving school is responsible to complete the appropriate documents (e.g., CIF Form 510 Pre-Enrollment Contact Affidavit and CIF Form 207 Athletic Transfer Eligibility Application) as per CIF Section policy.
- If the site principal/designee determines that the student is residentially ineligible for varsity competition the site principal or his/her designee shall discuss limited eligibility and the application process for hardship waiver with the student and his/her parent/guardian.
- The site principal/designee is responsible in assisting the parent/guardian with processing the appropriate CIF Form 207 Athletic Transfer Eligibility Application and CIF Form 510 Pre-Enrollment Contact Affidavit. - The Section Commissioner shall review the written documentation and other information and may request additional information deemed necessary to render a determination.
- After consideration of the record, the Section Commissioner shall issue a written decision to both site principals/designees and to the student or his/her parent/legal guardian regarding the student's eligibility. If the Section Commissioner denies the hardship waiver request, the written decision shall state the basis for the denial of unlimited eligibility.
- An appeal of the Section Commissioner's final decision may be filed by a student or his/her parent/legal guardian to the State CIF Appeals Office in accordance with the provisions set forth below. With parent/legal guardian approval, a school may file an appeal on behalf of the student. An appeal of the Section Commissioner's final decision may also be filed by a CIF member school that opposes the Commissioner's decision to grant eligibility to the student.
- An appeal of the Section Commissioner's final decision must be submitted to the State CIF Appeals Office within 15 business days of the date the Section Commissioner's decision was postmark mailed to the school, to the student and/or his/her parent/legal guardian. - Within 5 business days of receipt of the appeal request, the State CIF Appeals Coordinator shall determine if the application is complete and meets the procedural criteria of this provision.
- If the State CIF Appeals Coordinator determines that the appeal is timely and complete, the State CIF Appeals Coordinator shall then have 10 business days to set a hearing date. Applicants should be aware that applications received between the last published CIF-sponsored activity until August 15, eligibility determinations will be made based upon school site or section staff availability.
- If the State CIF Appeals Coordinator determines that the appeal is incomplete, the application will not be considered and shall be returned. A complete, corrected application may be resubmitted prior to the expiration of the original appeal 15-day timeline (without an additional administrative fee).
- The administrative fee shall not be returned with any appeal application that is rejected by the State CIF Appeals Coordinator.

## **LEVEL 3 – Appeals Panel/Review Officer**

- The members of the Appeals Panel or a Review Officer shall be appointed in accordance with the published State CIF Appeals Procedure Guidelines.
