

## NORTH COAST SECTION/LES SCHWAB TIRES SOCCER CHAMPIONSHIPS

### OVERTIME PROCEDURE

When the score is tied at the end of regulation time, the referee will instruct both teams to return to their respective team areas. There will be five minutes during which both teams may confer with their coaches, and the head referee will instruct both teams as to the proper procedure.

1. There shall be two, **if necessary**, 10-minute “sudden win” overtime periods. The first team to score during either 10-minute “sudden win” overtime period will be declared the winner.
  - a. A coin toss shall be held as in Rule 5-2-2(d).
  - b. At the end of the first 10-minute overtime period, teams shall change ends.
  - c. There shall be a two-minute interval between periods.
2. If the score remains tied after the two (10-minute overtime periods), all coaches, officials and team captains shall assemble at the midfield line to review the procedure as outlined for penalty kicks in the NFHS Soccer Rulebook until a winner is declared.
  - a. The head referee shall choose the goal at which all of the kicks from the penalty mark shall be taken.
  - b. Each coach will select any five players, including the goalkeeper, on or off the field (except those who may have been disqualified) to take the kicks.
  - c. A coin toss shall be held as in Rule 5-2-2(d). The team winning the toss shall have the choice of kicking first or second.
  - d. Teams will alternate kickers. There is no follow-up on the kick.
  - e. The defending team may change the goalkeeper prior to each penalty kick.
  - f. Following five kicks for each team, the team scoring on the greatest number of these kicks shall be declared the winner.
  - g. Add one goal to the winning team score and credit the team with a victory. An asterisk (\*) may be placed by the team advancing to indicate the advancement was the result of a tie breaker system.

3. If the score remains tied after each team has had five kicks:
  - a. Each coach will select five different players than the first five who already have kicked to take the kicks in a sudden-victory situation, wherein if one team scores and the other team does not score, the game is ended without more kicks being taken. If a team has fewer than ten available players at the end of the first set of kicks from the penalty mark due to either injuries or disqualification, the coach must use all players who have not participated in the first five kicks. The coach may choose additional players from the first five kickers to ensure that five different players participate in the second set of kicks.
  - b. If the score remains tied, continue the sudden-victory kicks with the coach selecting any five players to take the next set of alternating kicks. If a tie remains, repeat 3-a.
4. During all tie-breaker penalty kicks, the ball remains alive until its momentum is spent, it goes out of bounds, or it is retouched by the kicker.
5. A winner shall be determined for all NCS/Les Schwab Tires Soccer Championship games.
