Re: Pink Zone for Basketball

---

**WBCA Pink Zone Week** - The Pink Zone is a week designated by the Women's Basketball Coach's Association to raise awareness for Breast Cancer and forward any money raised at the event to the WBCA/Kay Yow Fund. Kay Yow was the Head Women's Basketball Coach at North Carolina State University who lost the battle with Stage IV Breast Cancer last year. The main focus of this event is to raise awareness.

During the weeks of February 1-18, 2012 at any event that is designated as a Pink Zone event the following items are allowed to be worn during the scheduled basketball game.

**Pink game jerseys.** The home team is required to wear white game jerseys and the visiting team is required to wear dark game jerseys unless agreed upon by both schools. Uniforms must conform to the NFHS Basketball uniform rule.

**Pink Headbands/Wristbands.** Team members may only uniformly wear pink headbands or wristbands with their dark (visitor) or white (home) uniforms. (This means, if one player on a team wears a pink headband, any other player that chooses to wear a headband must wear pink as well.) The team members must comply with all other headband rules.

**Shooting Shirts/Socks/shoes/shoe laces.** Pink shooting shirts, socks, shoes and shoe laces are permitted provided only one manufacturer or distributor's logo, label or trademark.

**Game ball.** Pink game balls may not be used.
