

NORTH COAST SECTION EJECTION POLICY – GIRLS LACROSSE - 2012

The following is a summary of the rules pertaining to the NCS Ejection Policy in girls' lacrosse. This summary is provided for athletic directors, coaches and league commissioners. Athletes and coaches may be disqualified from competition for many reasons according to US Lacrosse rules. This summary outlines which rules will apply to the NCS Ejection Policy. **Please review these rules with your coaches and student athletes.** However, any act by an athlete or coach that is unsporting or dangerous conduct shall subject the student or coach to ejection and application of the NCS Ejection Policy. It is important to note that a one game or contest ejection is not a substitute for appropriate counseling of the student or the coach, nor for the student's or coach's demonstrated contrition and acceptance of responsibility for the action(s) which led to the ejection. The one game or contest suspension is the universal penalty for ejection from a contest but in no way is it a substitute for a school's and coach's responsibility to provide appropriate counseling, remedial action, and discipline. Each league shall establish a procedure for reporting ejections (NCS Sports & General Rulings Handbook - bylaw 307H).

Coaches Review Content

League commissioners shall have coaches review the content of the Ejection Policy for the coaches' respective sport at the end of the season meeting and make recommendations for change. The league commissioner will direct such recommendations to the NCS Sports Advisory Committee ("SAC"), which will consider them. The SAC will determine whether to forward recommendations to the Board of Managers for change.

School Administration and Coaches' Responsibility

School administrators and coaches are responsible for determining the cause of ejection for any coach or player and are responsible for enforcement of the Ejection Policy. Confusion over the cause for a coach's or player's ejection shall not be the basis for allowing a student who has been ejected under an applicable rule to avoid the sanctions required by the Ejection Policy (either prohibition from participation or forfeiture should a student or coach who is in violation of the Ejection Policy participates in a subsequent contest).

Note: Any act by an athlete or coach that is unsporting or dangerous conduct shall subject the student or coach to ejection from the contest and application of the NCS Ejection Policy will apply.
